2018 WALK TO CURE DIABETES

Welcome to spring and my "annual" JDRF letter.

This year, **JDRF** will be holding the 23rd edition of the amazingly successful **Walk to Cure Diabetes**. It will take place in Laval on Sunday, June 10th, at the Centre de la Nature. Come take a beautiful walk with us!

I will be walking a 5K route along with my team "**SUZIE'S SWEETHEARTS**". The WALK event is aimed to bring together a community of people whose main goal is to find a CURE for Juvenile Diabetes.

PLEASE SPONSOR ME AND OUR EFFORTS TO CURE DIABETES!
